

# The Sovereignty Of God

Arthur W. Pink | Added: Mar 04, 2017 | Category: Theology

---

The sovereignty of God is an expression that once was generally understood. It was a phrase commonly used in religious literature. It was a theme frequently expounded in the pulpit. It was a truth that brought comfort to many hearts and gave virility and stability to Christian character. But, today, to make mention of God's sovereignty is, in many quarters, to speak in an unknown tongue. Were we to announce from the average pulpit that the subject of our discourse would be the sovereignty of God, it would sound very much as though we had borrowed a phrase from one of the dead languages. Alas! That it should be so. Alas! That the doctrine which is the key to history, the interpreter of providence, the warp and woof of Scripture, and the foundation of Christian theology, should be so sadly neglected and so little understood.

The sovereignty of God – what do we mean by this expression? We mean the supremacy of God, the kingship of God, the godhood of God. To say that God is sovereign is to declare that God is God. To say God is sovereign is to declare that He is the Most High, doing "according to his will in the army of heaven, and among the inhabitants of the earth: and none can stay his hand, or say unto him, What doest thou?" (Daniel 4:35). To say that God is sovereign is to declare that He is Almighty, the Possessor of all power in heaven and earth, so that none can defeat His counsels, thwart His purpose, or resist His will (Psalm 115:3). To say that God is sovereign is to declare that He is "The governor among the nations" (Psalm 22:28), setting up kingdoms, overthrowing empires, and determining the course of dynasties as pleaseth Him best. To say that God is sovereign is to declare that He is the "only Potentate, the King of kings, and Lord of lords" (1 Timothy 6:15). Such is the God of the Bible.
