The New Focus Website

The New Focus website now contains a much greater breadth of downloadable materials in different formats such as audio recordings, pdfs of past magazine editions and a photo-library. We hope you enjoy the material located here and will return in the coming weeks and months as we load more sound and solid free grace material. Please tell your friends and do what you can to raise the profile of the site as the more people who visit, the easier it is for people to find us in search engines such as Google, Bing, Yahoo, etc..
